## **ABOUT SERENA**

Serena is a local dog, who, about a decade ago, found herself in an overcrowded animal shelter for too long, scheduled to be euthanized with too many other pets. Thankfully, she was saved from death's door by Molly's Militia and adopted into a loving family with Steve and Doris Briggs.

Since then, Serena has been paying back the love she's received by helping people in need. For years, she has used her intuitive compassion to deliver comfort to sick or challenged children, wounded veterans, and shattered souls throughout the CSRA.
